

Want to do something fun, sociable and rewarding?

Help out at the Carers Support Group in

Street Parish Rooms
Second Monday of every month
10:30am - 12:00pm

The group gives carers the opportunity to take a break, meet other carers, find out how to access information, and get support.

We need friendly people to help the sessions to run smoothly, and provide support to people who spend lots of their time caring for others.

Want to get involved?
