Key: C; 4time

Intro: [Dm x4] [E7 x4] [Am x2] [Dm] [E7] [Am]

[Am] The falling [Dm] leaves [G7]
Drift by the [C] window
The autumn [Dm] leaves [E7]
Of red and [Am] gold
I see your [Dm] lips [G7]
The summer [C] kisses
The sunburned [Dm] hands [E7]
I used to [Am] hold

Since you [E7] went away
The days grow [Am] long
And soon I'll [G7] hear
Old winter's [C] song
But I [F] miss you [Dm] most of [E7] all
My [Am] darling
When [Dm] autumn [E7] leaves start to [Am] fall

(Repeat verse 1 but humming instead of singing)

Since you [E7] went away
The days grow [Am] long
And soon I'll [G7] hear
