Key: G; 4time

320

Intro: [A x4] [D7 x4] [G x4] [G]

[Tacet] Come and look out through the [G] window  
That big old moon is shinin' [A] down  
Tell me now don't it re- [D] mind you  
Of a [D7] blanket on the [G] ground.  
Remember back when love first [G] found us  
We'd go slippin' out of [A] town  
And we'd love beneath the [D] moonlight  
On a [D7] blanket on the [G] ground. [G7]

## Chorus:

*I'll get the blanket from the [C] bedroom  
And we'll go walkin' once a- [G] gain,  
To that spot down by the [D] river  
Where our [D7] sweet love first be- [G] gan. [G7]  
Just because we are [C] married,  
Don't mean we can't slip a- [G] round  
So let's walk out through the [D] moonlight  
And lay the [D7] blanket on the [G] ground.*

Oh, remember how ex- [G] cited  
We used to get when love was [A] young,  
That old moon was our best [D] buddy,  
We couldn't [D7] wait for night to [G] come.  
Now I know you still ex-[G] cite me,  
I know you love me like I [A] am,  
Just once more I wish you'd [D] love me  
On the [D7] blanket on the [G] ground. [G7]

*Chorus: I'll get the blanket from the [C] bedroom...*
